Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior arts of record do not disclose a power semiconductor module for mounting to a heat sink comprising a power semiconductor components formed on the connection tracks, terminal elements leading to an exterior of the housing in which at least some of terminal elements in an interior of the housing are formed by contact connectors that are disposed between connection tracks and contact points on a printed circuit board and the printed circuit board has conductor tracks which connect the contact points to contact elements leading to exterior of the housing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
